Letter from the President	iii
Chapter I: Industry Overview	1
Section I-1: Industry Overview	3
U.S. Market Developments	4
Economic Drivers	8
Technology Drivers	9
Public Policy Drivers	9
Summary	9
U.S. Landline Market	12
Landline Telephone Services	12
Network Equipment and Facilities	12
Internet Access	12
U.S. Enterprise and Consumer Markets	13
Enterprise Equipment	13
Consumer Telecommunications Landline Equipment	13
Unified Communications	13
Videoconferencing Service Bureaus	13
Audioconferencing Service Bureaus	13
Web Conferencing	13
U.S. Mobile and Wireless Communications	14
Wireless Communications Services	14
Wireless Capital Expenditures and Wi-Fi/WiMAX Equipment	14
Wireless Devices	14
International Telecommunications Revenue	14
Section I-2: U.S. Public Policy Developments	18
Universal Service Fund	18
<i>Communications Assistance for Law Enforcement Act</i>	20
<i>Foreign Intelligence Surveillance Act</i>	20
E911 Implementation	21
Other Issues Relating to VoIP Services	23
Broadband	24
Municipal Broadband Deployment	24
Internet Taxes	27
Local Competition	27
Cable Operators	28
Video Franchises	29
Net Neutrality	29
First Responders	30
Spectrum Issues	32
Advanced Wireless Services Auction	32
700 MHz Spectrum	33
White Spaces	34
Digital Television Set-Top Boxes	34
Section I-3: Global Policy Developments	36
World Trade Organization	36
Aid for Trade	37
International Telecommunication Union	37
ITU Aids in Disaster Situations	38
ITU Radiocommunication Assembly Approves WiMAX	38
ITU Aids Communication Development in Africa	38
ITU World Radiocommunication Conference 2007	38
Free Trade/Trade Promotion Agreements	39
U.S.-Peru Trade Promotion Agreement	39

U.S.-Colombia Trade Promotion Agreement	40
U.S.-South Korea Free Trade Agreement	40
U.S.-Panama Trade Promotion Agreement	40
Regulatory Developments by Region	41
Canada	41
Europe	41
New Rules Promoting Competition	41
Roaming Fees	42
Scarce Wireless Spectrum	42
Mobile Television	42
Satellite Broadband	42
Germany	42
United Kingdom	43
France	43
Netherlands	43
Russia	43
Middle East/Africa	43
Saudi Arabia	44
Egypt	44
Iran	44
Lebanon	44
Latin America	44
Brazil	44
Mexico	44
Chile	44
Venezuela	44
Argentina	44
Asia Pacific	45
China	45
India	45
Japan	45
South Korea	45
Australia	45
Malaysia	46
Singapore	46
Chapter II: Landline Market	47
Section II-1: Landline Market Overview	49
Network Equipment	52
Landline Services Revenue	53
Internet Access	53
Support Services	54
Overall Market	54
Section II-2: Landline Services Market	55
Service Bundles	57
Landline Trends	59
Landline Competition	65
Cable Operators	68
Incumbent Carriers	70
Non-Cable CLECs	71
Internet Access	73
Traditional Telecommunications Companies	73
Cable Operators	75
Alternative Broadband Technologies	76
Total Internet Access Market	79
Section II-3: Voice over Internet Protocol	82

Recent Developments	83
Pure Play Operators	83
Vonage's Patent Lawsuits	84
Cable Companies	85
Telephone Companies	86
Computer Companies	87
Government Regulation	88
E911	88
CALEA	89
Universal Service Fund	90
The Outlook for VoIP	90
Section II-4: Equipment and Facilities	93
Central Office Equipment	93
Fiber-Optic Cable	94
Total Telecommunications Equipment	96
Services in Support of Network Infrastructure Equipment	96
Section II-5: Prepaid Calling Cards	101
Virtual Cards	104
Regulatory Issues	104
Marketing Practices	104
Chapter III: Enterprise and Consumer Market	107
Section III-1: Enterprise and Consumer Market Overview	109
Scope of the Enterprise Equipment Market and Chapter Organization	111
General Trends	111
Consumer Equipment	113
Specialized Services	113
Unified Communications	113
Conferencing	113
Enterprise Spending on Maintenance, Support and Technical Services	113
Disaster Recovery	114
Section III-2: The Voice-centric Market	116
Enterprise Telephone Equipment and Services	117
PBX and Key Systems	118
Centrex/Hosted PBXs	121
Total Installed Base	122
Voice Messaging	123
Unified Communications	124
Conferencing	126
Videoconferencing	126
Web Conferencing	128
Audioconferencing	129
Overall Conferencing Market	129
Contact Centers	130
Automatic Call Distributors	131
Predictive Dialers	132
Interactive Voice Response Equipment	133
Voice/Data Recording Systems	134
Workforce Management Software	134
CTI System Software/Integration	135
Customer Relationship Management Contact Center Software	136
Overall Contact Center Market	137
Section III-3: The Data-centric Market	139
Ethernet	139
IPv6	146
Data Communications and Internetworking Equipment Market	148
Data Communications Services	149

Virtual Private Networks	150
Leased Lines	152
Frame Relay	154
Asynchronous Transfer Mode	155
Overall Data Communications Services	156
Section III-4: The Consumer Telecommunications Landline Equipment Market	158
Corded Phones	159
Cordless Phones	160
Answering Machines	162
Home Fax Machines	162
Chapter IV: Mobile and Wireless Communications Market	165
Section IV-1: Mobile and Wireless Communications Overview	167
Data Applications	168
Music	168
Television	169
Video Games	170
Wireless Spectrum	170
Wireless Communications Services	171
Wireless Devices	172
Equipment, Infrastructure and Wireless Capital Spending	173
Total Wireless Market	175
Section IV-2: Wireless Communications	177
Competition	177
U.S. Wireless Revenue	178
U.S. Handset Market	180
Mobile Virtual Network Operators	184
Prepaid Wireless	187
Spectrum Issues	191
Advanced Wireless Services Auction	191
700 MHz Spectrum	192
White Spaces	193
First Responders	193
E911 Implementation	195
Wireless Technology Evolution	195
Migration to 3G	196
WiMAX	198
Standards	198
Outlook for WiMAX	199
Section IV-3: Wireless LANs	201
Business Market	201
Home Market	203
Public Market	204
Municipal Deployment	207
Voice over WLAN	210
Standards	211
Section IV-4: Mobile Satellite Market	214
Recent Developments	215
2 GHz Band	215
Globalstar	217
Iridium	218
Inmarsat Global	219
ORBCOMM	220
Thuraya	220
Outlook for MSS	220
Technology	221

Chapter V: International Markets	223
Section V-1: International Telecommunications Overview	225
Internet Access	227
Landlines	230
Wireless Subscribers	231
Section V-2: Trade in Telecommunications Equipment	234
Exports	235
Imports	236
Section V-3: Canadian Market	241
Internet Access	241
Telephone Subscribers and Penetration	242
Telecommunications Revenue	244
Section V-4: European Market	248
Mobile Television	249
Internet Access	250
Wireless Market	254
Landline Market	255
Other Developments	259
United Kingdom	259
France	263
Germany	265
Netherlands	265
Italy	266
Russia	266
Telecommunications Revenue in Europe	266
Section V-5: The Middle East/Africa Market	270
Landline Market	272
Wireless Market	272
Internet Access	277
Dial-up	283
Recent Developments	284
Saudi Arabia	284
Egypt	285
Iran	286
Lebanon	286
South Africa	286
Telecommunications Revenue in Middle East/Africa	286
Section V-6: Latin American Market	288
Internet Access	288
Landline Market	291
Wireless Market	292
Other Developments	295
Brazil	295
Mexico	296
Chile	296
Venezuela	297
Argentina	297
Colombia	297
Telecommunications Revenue in Latin America	297
Section V-7: Asia Pacific Market	301
Mobile Television	302
Internet Access	302
Wireless Market	305
Landline Market	308
Other Developments	311
China	311

India	312	
Japan	313	
South Korea	315	
Australia	315	
Pakistan	316	
Malaysia	316	
Philippines	316	
Singapore	317	
Telecommunications Revenue in Asia Pacific	317
