

JOIN TIA & CDG FOR A CDMA NUMBERING ROUNDTABLE IN MUMBAI, INDIA ON TUESDAY, 3 NOVEMBER 2009

Attendance by Free Registration Only
[see registration form, separate document]

ANCHOR TOPIC

- ▶ **WHAT DO WE ALL DO WHEN THE UIM_ID and Exceptional ESN CODES EXHAUST AND ASSIGNMENTS MUST STOP?**

WHY ATTEND?

- ▶ CDMA legacy 32-bit numbering resources (UIM_ID, Exceptional ESN) are exhausting and assignments ceasing. Are all operator/suppliers ready and how is the industry coping with the changes?
- ▶ Be in Mumbai on Tuesday, 3 November for an open discussion and frank exchange of views with experts from CDG and TIA, including numbering administrators. [For reference, the Third Generation Partnership Project 2 (3GPP2, www.3gpp2.org) meets over 2-9 November, also at the Hyatt Regency Mumbai].

WHO SHOULD ATTEND?

Decision makers, implementers, operational and technical staff of,

- CDMA operators (especially R-UIM operators)
- R-UIM manufacturers
- Terminal (handset/module/device) manufacturers
- Infrastructure manufacturers
- Clearinghouse and intercarrier mediation vendors
- Other directly affected parties

NOTE: In addition to joining the numbering roundtable/working session, those operators and manufacturers also wishing to schedule private meetings with CDG and TIA while in Mumbai should advise meidadmin@tiaonline.org and MEID@cdg.org as soon as possible, but no later than Wednesday, 14 October. Availability is expected for one-on-one meetings on Monday, 2 November or Tuesday morning, 3 November.
